FAMILIES ENROLLED AT FWC RECEIVE A \$500 TUITION CREDIT FOR EACH NEW STUDENT REFERRED!

Terms & Conditions:

1. The \$500 tuition credit is available for families enrolled in the school's kindergarten through 12th grade full-time program.
2. The referred family must list the existing/referring family on their New Family Application for Enrollment at the beginning of the enrollment process.
3. Only one family can be identified as the referring family.
4. The referring family may designate which of his/her existing students will receive the \$500 tuition credit.

6. Referred families with students previously enrolled at FWC are ineligible.
7. The tuition credit(s) cannot exceed the referring family's current year tuition charges.
8. The referring family's tuition credit will be applied in February or July, after the new student(s) have attended one semester in good standing at FWC.
9. Tuition credits cannot be converted to cash or applied toward any other school expenses other than the referring family's tuition account.
10. The tuition credit expires when it has been fully exhausted, when the first school year of the new/referred family ends in May, or when the referred student is no longer enrolled at FWC for any reason, whichever occurs first.
