Mission

Fort Worth Christian School is a Christ-centered community where every child is loved and valued, taught excellence in and out of the classroom, and empowered by a biblical worldview for a lifetime of faith and service.

Statement of Faith

- We believe the Bible, the only infallible, authoritative word of God in all matters of faith and conduct, to be inspired by the Holy Spirit. No one has the authority to add to or take away from the word of God. Deuteronomy 4:2; Psalm 19:7-9; Proverbs 30:5, 6; I Corinthians 2:13; Galatians 1:8-9; II Timothy 3:15-17; II Peter 1:20-21; Revelation 22:18-19
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. Genesis 1:1-3; Isaiah 44:6-8; Matthew 28:19-20; Mark 12:29; John 1:1-4; Acts 5:3-4; II Corinthians 13:14
- We believe in God the Father, an infinite, personal spirit; the creator of all things, visible and invisible, in the heavens and on the earth, perfect in holiness, wisdom, power and love. We believe that He concerns Himself mercifully in the affairs of each person, that He hears and answers prayer, and that He saves from sin and death all who come to Him through Jesus Christ. Genesis 1, 21:33; Isaiah 40:28; Exodus 33:14; John 4:24; Revelation 4:8; Romans 11:33-34; Jeremiah 32:17; Ephesians 1:19-20, 3:9; Jeremiah 31:3; Romans 5:8; II Samuel 24:14; I John 5:14-15
- We believe in God the Son, Jesus Christ the Savior, the only begotten Son of God, in His deity, in His virgin birth, in His sinless life, in His miracles, in His substitutionary and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, in His continuous intercession for His people, and in His personal return in power and in glory. John 1:1, 2, 14, 18; John 3:16; Luke 1:34-35, & 24:27; Hebrews 4:15; Romans 3:23-26, & 8:34; Mark 8:38; Matthew 24:30; I Corinthians 15:3-4
- We believe in God the Holy Spirit, the Helper and Comforter, in His daily guidance and revelation of truth, in His conviction of sin, righteousness and judgment, and in His indwelling presence at the moment of salvation, enabling believers to live godly lives. John 3:5-8, 14:16-17, & 16:13-14; Acts 1:8; I Corinthians 12:13; Ephesians 4:30-32, & 5:18
- We believe we are created in God's image, but because we sin, we become separated from God and in need of salvation. Regeneration by the Holy Spirit is absolutely essential for salvation through the repentance from sin and the acceptance of Jesus Christ as Lord and Savior. We receive the gift of salvation by accepting God's invitation to enter into a covenant relationship with Jesus, placing our trust and faith in Him, and obeying His command to be immersed in water, which reflects the death, burial, and resurrection of Jesus. Isaiah 59:2; John 3:5-8, 16; 5:24; 14:6; Acts 2:21,

37-39; Romans 3:10-11, 23; 6:3-4, 23; I Corinthians 15:1-4; Ephesians 1:6-7, 2:1-10; Titus 3:3-8; I Peter 1:23

- We believe in the resurrection of both the saved and the lost - the saved unto the resurrection of eternal life and the lost unto the resurrection of eternal separation from God. Luke 16:19-26; II Corinthians 5:8; Philippians 1:23; II Thessalonians 1:7-9; Revelation 20:11-15
- We believe in the spiritual unity of believers in our Lord Jesus Christ, all of whom are added by God to the church, which is Christ's body on earth and of which He is head. Just as Christ is not divided, His church should not be subject to human divisions. We are called by God to gather regularly to worship and to be active in participation so that we may be mutually encouraged and so the body will build itself up as each part carries out its particular function. Matthew 28:19; Acts 2:42-47, 20:7; Romans 15:5-6; I Corinthians 1:10-13, 11:23-26, & 12:13; Ephesians 1:22-23, & 4:3-6, 11-16; Colossians 1:18; Hebrews 10:25; I Thessalonians 5:11
- Not for the purpose of earning salvation (which is a gift from God and cannot be earned), but in response to the incomparable riches of God's grace, we believe that we should put away the desires of the sinful nature and, led and empowered by the Spirit, live godly lives worthy of the calling we have received. Galatians 5:16-26; Ephesians 2:4-10, 4:1, 5:1-20; Titus 2:11-14; I Peter 3:11

RESOLUTION OF DISAGREEMENTS

Fort Worth Christian School is a family that is based on the teachings and example of the Word of God, the Bible. When there is a question, concern or disagreement between the student, parent/guardian, and staff member, the policy of Fort Worth Christian School is to follow the principle of Matthew 18:15-19.

- A parent/guardian or student who has a question, concern or disagreement with a staff member should go to that staff member and present the concern to him/her.
- A meeting should be scheduled between the two parties and should take place within a two-week period.
- If the parties involved cannot come to a satisfactory resolution, the following steps should be taken:
 1. Bring the issue of concern to the Principal.
 2. Bring the issue of concern to the Administrator.
 3. If, after these steps, the issue is unresolved you may appeal to the Board of Directors in writing.

NOTE: Concerns which are voiced anonymously (through letters, phone calls, etc.) cannot be dealt with by Fort Worth Christian School staff or administration since anonymity does not allow for resolution between the parties.

God calls each of us to listen to one another's concerns and to be willing to offer God's forgiving love to one another. Your concerns and issues should never be shared with other parents/guardians, teachers, or staff members who are not directly involved in the situation.

“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace.” Colossians 3:15

High School Attendance Notes

- Email notices are automatically sent to parents at four, seven, and nine absences for each class period in High School. Please check RenWeb to see a list of absences.
- College visits for juniors or seniors do not count against attendance if the absence is documented by a letter from the college or a completed Fort Worth Christian School College Visit Form signed by the college. Seniors will be allowed two college visit days per semester. Juniors will be allowed two college visit days only during their spring semester. Sophomores and freshmen are not allowed college visit days. Additionally, college visit days, with the appropriate documentation, will not count as an absence. College days will not count against exemptions.
- The following is a list of the High School attendance codes (which **do not** count against the student's attendance) and their definition:
 - P Present: the student is in class.
 - NS No School: Fort Worth Christian School did not have school during a portion of a regularly scheduled school date, usually for bad weather.
 - FW Field Trip: school sponsored field trip.
 - ND Non-Day: on certain days some students are not required to be in school. For example, seniors are not required to attend school on the PSAT testing date.
 - SA Sports Activity: the student is participating in a school sponsored sporting event during school hours.

Tardy Policy

The following guidelines and rules apply in regard to High School:

- Each student is allowed one unexcused tardy per class each nine-week grading period without penalty. On the second and third unexcused tardies, the teacher will assign a disciplinary consequence.
- Upon the fourth unexcused tardy and for every subsequent unexcused tardy, the student is referred to the office and will be assigned Saturday school.
- The teacher keeps records of tardies, and he/she is the final authority in this regard.
- Tardies are unexcused unless considered excused by a member of the school staff due to extenuating circumstance beyond the student's control.
- A student is considered tardy if he/she enters the classroom at or after the tardy bell rings.
- The staff records an absence if the student is more than 20 minutes late.

Early Dismissal Policy

Students present for any part of the school day are responsible for turning in assignments due on that day whether or not they attend the specific class in which the assignment is due.

Absence Policy

Absences are considered excused for personal illness, illness or death in the immediate family, emergency medical or dental attention, and written requests approved in advance by the Principal. Absences are excused only if a parent/guardian has sent a note or has

contacted the school to report one of these reasons. Excused absences count toward a student's total absences.

Absences are considered unexcused if a parent/guardian does not send a note or contact the school to report the absence. When a note is supplied (during the allowable time period), the absence can be changed to excused absence (AE).

The following procedures will be adhered to in regard to absences:

- Upon returning to school from an absence, a student will report to the attendance clerk/receptionist and present a note signed by the student's parent/guardian or doctor giving the reason for the absence.
- Students are responsible for initiating and completing all work done during an unplanned excused absence within a timetable of one day of make-up for each day of absence. In the event that a student is absent from a class on the day that a major project is due or a scheduled test is administered, and he/she reports to school later in the same day, the project or test must be completed that same day or a grade of a zero will be entered. This also applies to work missed because of school-sponsored activities.
- Assignments, projects, and tests that were assigned prior to an absence will be due upon the student's return to school.
- Students present for any part of the school day are responsible to turn in assignments due on that day, whether or not they attend the specific class in which the assignment is due.
- For major, long-term assignments such as research papers, etc., teachers, with advanced notice to students, can require a "no exceptions" turn-in policy. In this case, students are expected to get the assignment to school on its due date even if absent on that day.
- Students participating in extra-curricular activities that miss class due to participation will not be allowed extra time to complete their assignments and are responsible for any assignments made during their absence. Assignments, tests, etc., are expected to be due upon the student's return to class.
- Each year, students shall be allowed up to five absences for family, educational, or recreational travel provided that such absences are requested in writing and approved prior to the absence. **These days will not be excused during nine-week tests or semester tests.** All assignments are due upon return to class. Please take into consideration your child's educational wellbeing and refrain from allowing your child to miss class unnecessarily. Any exceptions to this will be at the discretion of the Principal.
- In order to receive credit in a class, a student must be in attendance 90% of the school days during each semester (no more than nine absences per semester, per class, and this includes excused and unexcused absences.) Once a student receives the tenth absence in any class period, the student will be required to meet with the campus attendance committee and is subject to being denied credit for the class(es) in which the absences occurred. The Attendance Committee and/or Principal will make the final decision to determine the granting of credit in all cases.

- Attendance Probation may be assigned if a student does not meet the attendance requirements of Fort Worth Christian School. Once on probation, a note from a medical professional will be required to excuse absences and tardies to school. Students may also be restricted from participation in extra-curricular activities. Students with ongoing attendance issues may be asked to withdraw.
- All students who fail to attend 90% of the time will have the opportunity to appeal their case to the attendance committee.

Students who fail to attend 90% of the time will have the opportunity to appeal before the attendance committee. The attendance committee consisting of the Principal, teachers, and administrative assistant will determine if the student should be placed on probationary status or have other disciplinary action taken.

A student may be placed on Attendance Probation if attendance requirements are not met. Once on probation, a note from a medical professional will be required to excuse absences and tardies to school. Students may also be restricted from participation in extra-curricular activities. Students with ongoing attendance issues may be asked to withdraw.

Students not able to attend regular classes at Fort Worth Christian School for an extended period of time, regardless of the circumstances, will be withdrawn.

Dismissal Procedures

Students must be picked up at their designated release time and location. For a safe and efficient drop-off and pick-up of students, all parents/guardians must follow the directions provided by school staff.

ACADEMICS

Homework Policy

At Fort Worth Christian School, we have determined that homework is not necessarily a fact of life that must be accepted without question, but rather an activity that must be regularly examined for its effectiveness.

We recognize that homework is an important factor in the development of responsible students. However, we also understand and appreciate the importance of time spent at home with family and in extra-curricular activities, as well as the need to get adequate rest. To this end, homework generally will not be assigned on Wednesdays so families can attend mid-week church services. If a test is scheduled for a Thursday (as in the case of nine-week or semester exams), students may need to prepare the evening before.

In our efforts to be better stewards of our time and assist students in the stewardship of their time, we commit to using class time as efficiently as possible to maximize learning and academic growth. Therefore, homework assignments will consist of test preparation, enrichment reading, and scheduled work on project completion. It will not consist of

“busy” work, but rather solid academic review and practice which are meaningful and purposeful.

Parents/Guardians should provide a suitable place for homework to be completed, one without distractions, and should monitor their children’s work to assure that assignments are completed in a timely fashion. Parents/Guardians are expected to support and encourage their children in the completion of homework, but to refrain from doing homework for the children. In addition, parents/guardians should direct any questions regarding homework assignments to their children’s teachers.

We pray that all Fort Worth Christian School families will be blessed by the additional time for rich social experiences, outdoor recreation, Bible study, family time, community service, and creative play.

High School Homework Policy

Homework enhances a High School student’s preparation for college, improving a student’s mastery of a subject. It should be meaningful and assigned with a specific learning objective in mind.

From long-term assignments requiring pacing and managing one’s time to Pre-Advanced Placement and Advanced Placement courses calling for more time and effort on the student’s part, many factors affect homework on the High School level. Additionally, a student’s potential involvement in several extra-curricular activities necessitates excellent time-management skills. It is in the student’s best interest for future success to develop such skills. If a student struggles with time-management issues, homework on any given night may require additional time. The student who keeps up with his/her work on a daily basis is the most successful. Faculty will supervise the student’s progress on long-term projects.

On an average, homework can vary from just a few minutes to approximately 1 ½ - 2 hours per night depending on a student’s level of ability and course selection. On the night before a major test or in preparation for the completion of a major project, a student may spend more time.

In most cases, students will not have more than two major tests or projects due on one day with the possible exception of an occasional three (excluding nine-week and semester exams). Dates of tests and project due dates for all classes will be monitored. Quizzes may be given on any day, but they should be short in duration and based on previously discussed material.

Homework will not be assigned to be completed exclusively during a holiday and due the first day back from a holiday.

Parents/Guardians should also encourage their children to read for enjoyment because a great deal of student success in High School and at the university level is linked to reading.

Missed Assignments

1. Students are responsible for initiating and completing all work done during an unplanned excused absence within a timetable of one day of make-up for each day of absence. The teacher is responsible to provide the assignment to the student. In the event that a student is absent from a class on the day that a major project is due or a scheduled test is administered, and he/she reports to school later in the same day, the project or test must be completed that same day or a grade of a zero will be entered. This also applies to work missed because of school-sponsored activities.
2. Students participating in extra-curricular activities that miss class due to participation will not be allowed extra time to complete their assignments and are responsible for any assignments made during their absence. Assignments, tests, etc., are expected to be due upon the student's return to class.

Textbooks

Students are responsible for textbooks issued to them. Damages to a textbook will require reimbursement. Lost books must be paid for before a new book will be issued.

Grading Procedures

Grading procedures for the High School will adhere to the following procedures:

1. For regular and Pre-Advanced Placement classes, a nine-week grade will be derived by the following method: the average of daily work will count 50% and tests will count 50%.
2. For Advanced Placement, Pre-Advanced Placement, and Dual Credit classes, a nine-week grade will be derived by the following method: the average of daily work will count 40% and tests will count 60%.
3. For all classes, semester grades will be derived by counting the semester exam as 20% of that semester's grade and the average of the previous grading periods counting 80%.
4. High School late-work policy – work not completed and turned in on time will be recorded as a zero.

Incomplete Grades

If a student's grade is incomplete at the end of the nine-weeks, there is a two week limit from the last day of the grading period to remove the incomplete. If the work is not completed within that period, the teacher will determine a grade to be recorded. The same rule will apply with unit averages. No incomplete grades will be recorded at the end of the school year. The teacher will determine a final grade before grades are recorded and sent to parents/guardians.

“A” Honor Roll

Students may qualify by maintaining an “A” average (90 or above) in all classes. Any “N” or “U” in conduct will cause a student to be excluded from this Honor Roll.

“A & B” Honor Roll

Students may qualify by maintaining a “B” average (80-89) in all classes. Any “N” or “U” in conduct will cause a student to be excluded from this Honor Roll.

Academic Probation

A student who is currently enrolled at Fort Worth Christian School will be placed on Academic Probation if he/she receives three grades below 75 or one grade below 70 for any grading period. If such grades recur at the conclusion of the subsequent grading period, he/she may be dismissed from Fort Worth Christian School. After a student’s average at the conclusion of a grading period is improved, he/she will be removed from Academic Probation.

A student placed on Academic Probation may be prohibited from participating in school-sponsored activities at the discretion of the Principal.

If a student is dismissed after failing to improve grades following his/her placement on Academic Probation, he/she may reapply to Fort Worth Christian School after one academic year.

A student who is admitted to Fort Worth Christian School on probationary status must maintain a 70 average in each class. If a grade below 70 occurs for any nine-week grading period, he/she may be dismissed from Fort Worth Christian School.

Final Exams

High school students do not take nine-weeks exams but will take semester exams. Seniors, during their spring semester, may qualify for a maximum of two exemptions for semester exams. To qualify for exemptions, the following criteria apply:

1. No more than two absences for the semester in the class for which the exemption is being sought.
2. No more than two tardies for the semester.
3. No unexcused absences for the semester.
4. An average of 85% or higher for the semester.
5. No referrals to the office. One dress code violation will be allowed for eligibility purposes.

Any teacher has the option to require all of his/her students to take a course final.

Report Cards

Report cards are posted on ParentsWeb.

Conferences

All parent/teacher conferences must be scheduled by calling the office or emailing the teacher. Check in with the front office upon arrival.

High School Graduation Requirements

1. The graduating senior must be enrolled in Fort Worth Christian School at the time of graduation.
2. Students who transfer as seniors must be able to earn 28 credits and maintain a full schedule of seven periods of instruction.
3. Financial obligations must be satisfied and cleared by the business office prior to the issuing of a cap and gown.
4. Passing grades must have been earned in all classes taken during the senior year. If a student fails a class, he/she will not be allowed to participate in commencement exercises. Students may, upon prior approval by the Principal, take the necessary courses at another school to complete Fort Worth Christian School's curriculum requirements for graduation during the summer following the senior year. Transfer grades and credits can be sent back to Fort Worth Christian School for completion of the requirements necessary for receiving a Fort Worth Christian School diploma.
5. A student must complete the whole school year beginning from the time of his/her acceptance to graduation. If a senior chooses to leave Fort Worth Christian School and enter another school, he/she automatically forfeits all rights to participate in graduation exercises.
6. If a case arises where the parents/guardians move from the area and the student is in good standing and desires to graduate from Fort Worth Christian School but cannot remain in the area, if he/she qualifies, he/she may return and participate in the graduation ceremonies.
7. A total of 30 credits are required to graduate. There are separate requirements below for students who transfer during their junior or senior year.

Graduation Requirements for Incoming Upperclassmen

Upperclassmen are defined as juniors and seniors. All other transfer students will abide by all current graduation requirements.

1. Students entering as upperclassmen who will not meet the 30 credit requirement will be required to take seven classes if they are a senior and eight (including Junior Service) for a junior. One of the classes can be athletics. This is required even if taking fewer classes would allow the student to meet the 28 or 29 credit minimum.
2. All students will be required to graduate with four credits in science, English, mathematics, and history.
3. All students will be required to graduate with one credit of technology.
4. All students will be required to graduate with one credit of Fine Arts.
5. All students will be required to graduate with two credits of a foreign language.
6. All transfer juniors will be required to graduate with a minimum of 29 credits.
7. All transfer seniors will be required to graduate with a minimum of 28 credits.
8. All transfer seniors must be accepted and enrolled by the end of the first full week of classes.
9. A transfer senior must be able to meet the minimum requirement within our seven class periods.
10. All transfer students will be required to take one Bible course during each year of attendance.

Graduation with Honors

The manner in which the Valedictorian and Salutatorian are chosen is as follows: All courses required for graduation in grades 9-12 are averaged together to find the class rank. Grades of the top two students are averaged to the 1,000th place, if necessary. If they remain identical at that point, then there are co-Valedictorians and no Salutatorian. To be eligible for Valedictorian and Salutatorian honors, a student must attend Fort Worth Christian School the last three semesters inclusive of the senior year.

For designated honors and Pre-Advanced Placement courses, the grade received will be increased by 10% and for designated Advanced Placement courses, the grade received will be increased by 15%.

Graduation with Honors designations

All students graduating with honors are required to complete six hours of Pre-Advanced Placement and/or Advanced Placement courses while in grades 9-12. The numeric scale for Summa Cum Laude is 100+; Magna Cum Laude is 96.00 – 99.99; Cum Laude is 93.00 – 95.99.

Only grades earned in grades 9-12 will count toward a student's GPA and numerical average. Grades earned in middle school, although they may count towards High School credit, do not count towards the required six hours to graduate with honors. Grades earned for Physical Education credit, athletics, teacher assistant, office assistant or grades earned by correspondence or credit by examination will not be used to calculate a student's GPA or his/her numerical average.

Correspondence Courses

The counselor must approve correspondence work including but not limited to the curriculum used and the school supplying the materials in order for credit to be awarded. Only credit awarded from approved schools will be accepted. However, during the school year, students will not be allowed to enroll in online courses when Fort Worth Christian School offers a comparable course. Be advised that it is best to receive approval before beginning coursework. Correspondence and online courses, though accepted, will not be figured into a student's GPA.

Transfer Credits

Credit from other schools will be accepted only from schools accredited by a nationally or state-recognized accrediting agency.

Dropping a Course

Once a student is enrolled in a course, he/she will be expected to complete the full year of the course. Student schedules will not be changed after completion of the second week of a semester. Schedules may be changed for the following reasons: to balance the number of students in a given section of a course, to

correct errors in scheduling which may occur, or to achieve proper placement of a transfer student.

Dual Credit Courses

A student must be enrolled at Fort Worth Christian School in order to participate in a dual credit course through Fort Worth Christian School. If a student withdraws from Fort Worth Christian School, the student is automatically withdrawn from the dual credit course and loses all money, fees, and any credit not completed for the semester at the time of withdrawal.

Pre-Advanced Placement (Pre-AP) and Advanced Placement (AP) Courses

Application for Pre-AP and AP courses is made in the spring semester each year. Admission to these courses is based on most recent test scores, recent grades in Fort Worth Christian School courses, and teacher recommendations. If a student is not admitted to the course, then the student can appeal the decision by submitting a letter to the Principal requesting consideration.

College Entrance Examinations and Other Exams

Each senior must take either the American College Test (ACT) or the Scholastic Aptitude Test (SAT). Each freshman, sophomore, and junior will take the PSAT/NMSQT on the Fort Worth Christian School campus. Information regarding these tests is available in the counselor's office.

Eligibility for High School Extra-curricular Participation

The following guidelines will be used to determine the eligibility of a student to participate in extra-curricular activities:

1. Grade check will occur every three weeks.
2. Any student with a "U" or as many as two "N's" will be ineligible.
3. Eligibility will only be affected during weeks six and nine of each grading period.
4. During the sixth week, any student who has two grades below 70 or one grade below 60 will be ineligible until the next grade check.
5. At the end of each nine-week grading period, any student who has one grade below 70 will be ineligible until the next grade check.
6. At the end of the third-week grading check, any student still failing a subject he/she was failing at the nine-week grade check will remain ineligible.
7. At the time of all grade checks, students who have any grades below 76 must go to tutorials for that class until the next grade check. This includes the first grade check of each nine-weeks.
8. Eligibility periods are scheduled and published at the beginning of the year.

Eligibility for Cheerleader in addition to the above:

1. Must not have failed more than one class at the semester.
2. Must be working at appropriate grade level.
3. Must make-up any failed semester grades through correspondence, summer school, test by examination or credit recovery prior to September 1st of the next school year.

DISCIPLINE

Standards of Conduct

Fort Worth Christian School is a Christ-centered community. We seek to promote and maintain an environment, which will effectively train and encourage our students to bring glory to Jesus Christ at all times. When students are admitted to Fort Worth Christian School, they become identified not only with the school but also more importantly with the name of Christ. It is expected that students will conduct themselves in ways which will honor Christ and which will reflect favorably on the school at all times. All students and parents/guardians understand that Fort Worth Christian School reserves the right to discipline, suspend, or expel any student based upon conduct which occurs either on or off campus, whether at school sponsored events or otherwise.

Fort Worth Christian School expects each student to maintain Christian standards of courtesy, kindness, morality and honesty. Students are expected to refrain from profanity, indecent language, gambling, cheating, sexual immorality, stealing, the use of any kind of tobacco, drugs, alcohol or pornographic materials, and from participation in the occult or any unlawful, violent or destructive acts. In addition to these general guidelines, students are to comply with the specific standards set forth in this Fort Worth Christian School Parent and Student Handbook.

Students are expected to abide by these standards throughout the calendar year, whether at school, at home or elsewhere (including all forms of social media). This is a joint agreement between the student, the parents/guardians, and the school. All parties agree that both the school and the parents/guardians will enforce these standards of conduct while the student is associated with Fort Worth Christian School both during the school term and otherwise.

Conduct Grades

Conduct grades shall reflect the E-S-N-U grading system:

- **Excellent** – student’s behavior and attitude continuously exceed the teacher’s expectations.
- **Satisfactory** – student’s behavior and attitude continuously meet the teacher’s expectations.
- **Needs Improvement** – student’s behavior and attitude do not continuously meet teacher’s expectations. Two “Ns” will result in the student’s being ineligible to participate in extra-curricular activities

- Unsatisfactory – student’s behavior and attitude consistently and repeatedly fail to meet teacher’s expectations. Receiving one “U” will result in the student being ineligible to participate in extra-curricular activities.

Discipline Policy

Discipline consequences include but are not limited to, and may include combinations of the following:

- Detention at a time designated by the school authority.
- Saturday School.
- Disciplinary Probation.
- In-School Suspension.
- Suspension from school for a length of time determined by the Principal.
- Dismissal.

All of the above with the exception of dismissal may carry with it other conditions to be met (e.g., restriction of participation in extra-curricular activities, participation in student organizations, counseling, etc.).

Violations of the Fort Worth Christian School Parent and Student Handbook where dismissal is recommended by the Principal will be done in consultation with the Fort Worth Christian School’s President. The President will make the final decision on student dismissals and will report that decision to the Chairman of the Board of Trustees.

Code of Conduct

Attendance at Fort Worth Christian School is a privilege. Students should take advantage of all that our school offers. The purpose of the Fort Worth Christian School Parent and Student Handbook is to provide students at Fort Worth Christian School an effective and safe learning environment. Students should be guided by the principle that they are expected to conduct themselves in a manner which is respectful of themselves and others and worthy of an environment of learning. Critical elements of this principle include the following:

- Students will considerately allow others to learn.
- Students will not impede classroom instruction.
- Students will participate fully in the learning process.
- The teacher has authority to maintain discipline in the classroom.

Using professional judgment, teachers may elect to refer to the Principal any students who have been documented to repeatedly interfere with classroom instruction. Students choose to accept disciplinary consequences when choosing to violate the codes and policies set forth in the Fort Worth Christian School Parent and Student Handbook.

Disciplinary consequences will be administered in a firm, fair, and consistent manner. When making decisions in regard to disciplinary situations, the school administration will make every effort to administer disciplinary action as consistently as possible, while recognizing that each student and each specific incident must be assessed on an individual basis with attention given to background, attitude, and repetition.

Consideration will be given to maintaining a safe environment and educational setting. Our goal is to create a culture and climate of safety, respect and emotional support within our educational institute. When a student is placed on probation, any misbehavior will be a basis for dismissal. A student placed on probation risks forfeiture of his/her right to participate in any extracurricular activity at the discretion of the Principal and/or sponsors. Students on probation due to behavior could be deemed ineligible for school trips at the discretion of the Principal.

Offenses resulting in **mandatory** disciplinary action of either in school suspension, suspension, or dismissal, depending on the severity of the offense, for the first offense, includes but is not limited to:

- Use/possession of illegal substance.

Other offenses resulting in disciplinary action, up to and including dismissal, for the first offense, includes but is not limited to:

- Gambling.
- Profane or vulgar language.
- Truancy or leaving school without permission.
- Altercations, verbal and physical.
- Deliberate and/or repeated classroom disruptions.
- Harassment/Bullying. **
- Theft.
- Vandalism.
- Disrespect.
- Falsification of documents.
- Cheating.
- Unauthorized use of electronic devices. ***
- The willful display of any social media of inappropriate material that could include, pornographic images, profanity, pictures that represent or indicate a violation of the Fort Worth Christian School Parent and Student Handbook.
- The behavior of Fort Worth Christian School students while off-campus, including holidays and summer break, is expected to be exemplary. Violations of the Fort Worth Christian School Parent and Student Handbook or other behavior that is not a positive representation of Fort Worth Christian School that occur during these breaks may affect initial or continued enrollment.

Students who voluntarily come to a school official confessing a violation of the Fort Worth Christian School Parent and Student Handbook will be eligible for disciplinary action that may not include dismissal. Repeat offenses of the same nature will be cause for dismissal.

If a violation of the Fort Worth Christian School Parent and Student Handbook has been reported to Fort Worth Christian School officials by law enforcement those students could be subject to dismissal.

* Fort Worth Christian School is committed to providing an environment free of sexual harassment. Examples of prohibited behavior include but are not limited to unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and verbal or physical conduct or communication of a sexual nature. Those who harass will be subject to disciplinary consequences up to and including dismissal for the first offense. The assigning of a disciplinary consequence is at the discretion of the Principal. Furthermore, the sufficiency of any evidence regarding harassment is left to the discretion of the Principal.

** Bullying includes the initiation or participation in intimidation by name calling, using racial or ethnic slurs, making derogatory statements, or threatening physical violence. Fort Worth Christian School students will not engage in bullying one another; furthermore, no student shall encourage, permit, or assist any other person in bullying. Harassment also includes references to one's physical appearance, religion, race, sex, or ethnic origin. A substantiated charge of bullying will result in disciplinary action up to and including dismissal. The Principal or designee has the discretion to decide if a student's actions or words constitute bullying.

*** Students may possess personal electronic communications devices including, but not limited to, cell phones, iPods, etc., during the school day only if the devices remain turned off and in their backpack during the school day.

If an electronic device is seen, heard, or used during class or other school events such as chapel, the electronic device will be confiscated, turned in to the office and the student will have the device returned to them at the end of the school day. The Principal reserves the right to assign further disciplinary consequences if warranted.

Illegal Substance Abuse Policy

No student shall possess, use, transmit, or be under the influence of any narcotic drug, hallucinogenic, amphetamine, barbiturate, marijuana, alcoholic beverage, or other intoxicant. No student shall possess, use, transmit, or be under the influence of an illegal drug substitute, herbal smoking blends, synthetic drugs. These include, but are not limited to K2 and Spice. The same applies to the selling, or transferring of alcohol, drugs, drug related paraphernalia or other illegal substances. Such activity will not be tolerated and will result in disciplinary action up to and including dismissal. The specific discipline will be assigned at the discretion of the Principal. The school will notify appropriate law enforcement officials of possession, distribution, or use of illegal substances by students to the extent that the school, upon advice of its counsel, determines that it is required to do under applicable laws.

Substances represented to be a drug or an alcoholic beverage shall be treated as drugs or alcohol for the purpose of student discipline.

Furthermore, if a student has knowledge of such activity on school property and fails to inform school officials, that student is subject to disciplinary action up to and including dismissal. Students' personal effects which are on school premises, including automobiles operated or parked on school premises and personal effects taken on school sponsored trips or events may be inspected.

Fort Worth Christian School reserves the right to demand approved professional counseling and drug testing at the student's expense. Parents/guardians will be notified prior to drug testing.

Students who violate the Illegal Substance Abuse Policy for alcohol are subject to the following disciplinary action at the discretion of the Principal:

1st Violation = 2-Day Suspension

2nd Violation = 5-Day suspension + Alcohol Awareness

3rd Violation = Dismissal

Non Self-Reported:

1st Violation = 5-Day Suspension + Alcohol Awareness

2nd Violation = Dismissal

Academic Ethics

Fort Worth Christian School expects its students to maintain the highest degree of academic ethics. This means putting the utmost effort into all class work and assignments and avoiding the ethical pitfalls of plagiarism and cheating.

Plagiarism

Plagiarism is defined by the Modern Language Association (MLA) as "the false assumption of authorship: the wrongful act of taking the product of another person's mind, and presenting it as one's own" (Alexander Lindey, *Plagiarism and Originality* [New York: Harper, 1952] 2 qtd. in Gibaldi, Joseph, ed. *MLA Handbook for Writers of Research Papers*, 6th Edition. New York: The Modern Language Association of America, 2003.) This happens when students do not adequately credit information that is not of their own creation. The MLA handbook also states that plagiarism is not determined by intent. Whether or not a student intentionally sets out to deceive, inadequately or incorrectly documented material is considered plagiarism. Possible consequences of plagiarism, depending on the specific circumstances of the case, include receiving a zero on the assignment and an office referral.

Plagiarism includes:

- Taking someone else's assignment or portion of an assignment and submitting it as your own.

- Submitting material written by someone else or rephrasing the ideas of another without giving the author's name or source.
- Submitting material that is inadequately or incorrectly paraphrased or documented.
- Presenting the work of tutors, parents/guardians, siblings, or friends as your own.
- Submitting purchased papers as your own.
- Submitting papers from the Internet written by someone else as your own.
- Supporting plagiarism by providing your work to others, whether you believe it will be copied or not.

Cheating

Rationale: Cheating demonstrates a lack of integrity and character that is inconsistent with the goals and values of Fort Worth Christian School.

Education is based on learning specific skills, forming lifelong work habits, and developing mature coping skills according to each student's unique abilities. Stress sometimes propels students to make unethical choices. When students choose to cheat, it may be a symptom of more serious problems such as inappropriate class placement, over-commitment to extra-curricular activities, and/or academic desperation. The compromise of their values through cheating may lead to loss of self-esteem, as the students are often painfully aware of their shortcomings and fight a tiring battle to preserve their images at the cost of their ethics. True self-esteem is based on competence. Cheating robs students of their opportunity to become competent. Students are expected to produce their own work except on projects designated by the teacher as cooperative efforts. Teachers will indicate which assignments are to be cooperative efforts and will establish guidelines for the use of such aids as calculators, computers, word processors and published study guides. If a student is in doubt about the ethical standards applicable to a particular situation, the student is responsible for clarifying the matter with the teacher.

Cheating includes:

- Copying, faxing, emailing, or in any way duplicating assignments that are turned in, wholly or in part, as original work.
- Exchanging assignments with other students, either handwritten or computer generated, whether you believe they will be copied or not.
- Using any form of memory aid during tests or quizzes without the expressed permission of the instructor.
- Using a computer or other means to translate an assignment from one language into another language and submitting it as an original work.
- Giving or receiving answers during tests or quizzes; it is your responsibility to secure your papers, so other students will not have the opportunity to copy from you or the temptation to do so.
- Taking credit for group work when you have not contributed an equal or appropriate share toward the final result.

- Accessing a test or quiz for the purpose of determining the questions in advance of its administration.
- Using summaries/commentaries (Cliffs Notes, Spark Notes, etc.) in lieu of reading the assigned materials.

Alternatives to cheating and plagiarism

No student needs to cheat or plagiarize. Fort Worth Christian School provides numerous support services for students to help them achieve success honorably. Students who advocate for themselves and seek appropriate help when they need it will not need to cheat or plagiarize.

The following behaviors promote true student achievement:

- Be prepared. Try to keep to a realistic schedule balancing academic obligations and your social and personal life.
- Make certain that you understand your assignments and the grading assessment that will be used. If you have questions about an assignment or an assessment, talk to your instructor. Do not rely solely upon a classmate for clarification.
- If you study for a test with a classmate, make sure that you do not sit near each other during the test since your responses (and errors) may be similar.
- Do not read or scan someone else's paper before writing your own. Some of the ideas in the other person's paper may be ideas that you would have used, but you will now need to credit the person whose paper you read for those ideas.
- Use all avenues of support available to you. For help needed beyond the classroom, see your instructor, other instructors in the department, a peer tutor, a parent/guardian, or other adult who is well versed in the subject.
- Assignments should be considered individual unless the instructor states otherwise.
- Be organized. Having class notes in an orderly, easily accessible format will save time and anxiety when studying for a test or writing a paper.
- Keep current with assignments. If you need to read an entire novel the evening before a test or before a paper is due on that novel, your performance on either will suffer.
- If, for whatever reason, you choose to use another's ideas or solutions, cite that person as a source on your paper or project.
- Know what constitutes cheating, including all the variations of plagiarism.

The role of parental support in their children's achievement and ethical development

Parental support of academic achievement and ethical development is fundamental to students' long-term success. The following behaviors will assist parents/guardians in promoting true student achievement:

- Teachers are available for extra help as needed. In addition, peer tutors may be available when extra help is needed. Encourage their use.

- Assess your child’s abilities realistically. Help her/him to choose courses in which he/she will be successful and challenged without undue stress.
- Do not push children beyond their limits with your expectations or aspirations. Many times students make bad decisions because the pressure to excel is greater than their ability to meet the expectations.
- If you suspect your child is experiencing difficulty in a class, please contact the teacher. The sooner the problem is identified, the sooner steps can be taken to alleviate it.
- If your child is caught cheating and you are called, please remember that this is a learning experience – help your child to accept the consequences for his/her inappropriate actions.

Repercussions

- Any student who is caught cheating or plagiarizing will receive a grade of zero for the academic work involved, and the parents/guardians of the student will be notified. When work is copied from another student, both students will be penalized with a grade of zero. Grades of zero, which are the result of any form of academic dishonesty, are irrevocable. At the teacher’s discretion, students may be required to complete the affected assignment even though credit will not be awarded.
- Student Citizenship grade will drop one level for the affected class.
- Dismissal will be considered on the second occurrence.

- Dresses should not be too tight or see-through.

In general, this requires efficient, ethical and legal utilization of all technology resources.

Hardware

Terms

Parents/Guardians and students must comply at all times with the Fort Worth Christian School Parent and Student Handbook. Any failure to comply may cause the school to terminate the student's rights of possession immediately, and Fort Worth Christian School may repossess the device. The term "device" used within this Technology section refers to a piece of technology equipment loaned to or used by a student on a temporary or permanent basis, which is owned by Fort Worth Christian School.

Music, Games, and Programs

Music and games may not be downloaded or streamed over the Internet. This may be a violation of copyright laws. Music may be obtained from reputable and legitimate sources such as the iTunes Store.

Software may not be loaded on the system unless it is approved.

A \$15 re-imaging fee to remove any unapproved software or files may apply.

Inappropriate Content

Inappropriate content will not be allowed on devices.

Use or possession of hacking software is strictly prohibited and violations may result in loss of technology privileges and disciplinary action.

Presence of weapons, pornographic materials, inappropriate language, alcohol, drug, and/or gang related symbols or pictures will result in disciplinary actions including but not limited to suspension, dismissal, or appropriate legal action.

A \$15 re-imaging fee to remove the above items from a Fort Worth Christian School device may apply.

Network

Fort Worth Christian School is committed to the availability of technology resources for student work. If a student is experiencing problems with his/her device, the student should be able to continue with class work. To assist in these situations, Fort Worth Christian School is providing each student with a Dropbox or Google Drive Account. This account is automatically set up so that all files added and/or changed during the day are synchronized with files online. In the event that a student's laptop is inoperable, the student may receive a loaner laptop and proceed with work using files that are retrieved from the online service.

Only files residing in the Dropbox or Google Drive folder will be synchronized.

File synchronization is not guaranteed as the student may stop it during login and logout. It is in the best interest of the students to allow the synchronization process to complete each day. It is also the student's responsibility to make sure that they are saving files to the correct location.

Email

- Email should be used for educational or administrative purposes only.
- Email transmissions, stored data, transmitted data, or any other use of the online services by students, employees or other users shall not be considered confidential and may be monitored at any time by designated staff to ensure appropriate use.
- All email and all contents are property of the Fort Worth Christian School.

Internet

Many sites on the Internet can be potentially dangerous. Fort Worth Christian School makes every effort to block these sites by using security software loaded onto each device. The Internet filter system used by Fort Worth Christian School is stringent and blocks access to nearly all inappropriate Internet sites. Students are in violation of school policy if they access these sites through proxies or deactivate or bypass the security software.

Students caught tampering with or bypassing the filtering systems are subject to disciplinary action including but not limited to suspension and dismissal.

Internet usage for any purpose other than for the completion of school assignments, college or career planning or other appropriate educational activities is inappropriate.

Any parent/guardian wishing to restrict their children's access to any Fort Worth Christian School's Online Services will provide this restriction request in writing. Parents/guardians will assume responsibility for imposing restrictions only on their own children.

Social Media

Fort Worth Christian School recognizes the popularity of social networking sites. Students using and/or participating in any online Internet communities will be held responsible for information transferred between themselves and others and all other information posted. This responsibility extends to, but is not limited to all social media, personal homepages, instant messages, chat rooms, and other postings on the Internet. Students should take extreme caution when posting on such sites. All postings should positively represent the person posting. Students are representatives of Fort Worth Christian School and must recognize that all postings should be a positive reflection on our school, the employees, and other students and their families. What is posted in the form of words and pictures should represent a person who is in subjection to Jesus Christ as their Lord. These guidelines apply during the school year and at times when school is not in session including our summer break.

Students are especially cautioned against using electronic devices to take pictures or videos of teachers, other staff, or students and posting them on social media websites. Students who post such media will be subject to disciplinary action up to dismissal.

Faculty and staff members of Fort Worth Christian School beginning with the 2012-2013 school year will not be allowed to engage in online interactions with current Fort Worth Christian School students.

All faculty-student communications that take place via email will only be conducted using the email account supplied by Fort Worth Christian School.

Expectations

- The student in whose name a system account and/or device is issued will be responsible at all times for its appropriate care and use.
- Students are responsible for their ethical and educational use of the computer online services at Fort Worth Christian School.
- Although the School has an Internet safety plan in place, students are expected to notify a staff member whenever they come across information or messages that are inappropriate, dangerous, threatening, or make them feel uncomfortable.
- Students who identify or know about a security problem are expected to convey the details to their teacher without discussing it with other students.
- All users are expected to follow existing copyright laws. Copyright guidelines are posted and/or available in the library of each campus.
- Sound will be muted at all times unless permission is obtained from the teacher for instructional purposes.

Unacceptable Conduct (includes but is not limited to the following)

- Transmitting or using any material, which is in violation of any federal or state law, is prohibited. This includes, but is not limited to, confidential information, copyrighted material, license or contract violations, inappropriate materials, threatening or obscene material, viruses, hacking, and host file sharing violations.
- Attempting to copy, alter, or use data, the configuration of a computer, files, password, account, ID, or device of another user without the consent of the individual, campus administrator, or technology staff member.
- Vandalizing, gaining unauthorized access to, or tampering with equipment, programs, files, software, system performance or other components of a device or network.
- Causing congestions on the network or interfering with the work of others by intentionally wasting resources. This includes but is not limited to chain letters, broadcasting messages to groups or individuals, and real-time music.
- Falsifying permission, authorization or identification documents.
- Accessing or exploring online locations or materials that do not support the curriculum and/or are not appropriate for school assignments such as, but not limited to, pornographic sites.
- Using the device or network for financial or commercial gain, advertising, or political lobbying.

Fort Worth Christian School cooperates fully with local, state and federal officials in any investigation concerning or relating to violations of computer crime laws. The Texas Open Records Act governs contents of email and network communications; proper authorities will be given access to their content. Violation of local, state or federal law, including the Texas Penal Code, Computer Crimes, and Chapter 33 will result in criminal prosecution and/or disciplinary action by Fort Worth Christian School.

CLUBS AND OTHER ORGANIZATIONS

Guidelines

The following guidelines apply to all clubs and organizations:

- Class and club trips must be approved in writing by the sponsor and Principal.
- Club dinners and banquets occurring off campus must be approved in writing by the sponsor and the Principal.
- Students are not to be excused from classes for special activities except upon approval of the Principal.
- Each organization or production must be self-supporting unless the Principal has specifically agreed to subsidize it.
- Any financial deficit incurred must be made up by members 10 days prior to the last day of the school year.

National Honor Society Standards For Admission To Membership And Maintenance Of Membership Status

The National Honor Society is an organization that seeks to encourage and honor scholarship, service, leadership, and character in secondary students.

Requirements for gaining and maintaining membership in the Fort Worth Christian School Chapter are as follows:

1. Maintaining an overall average of 90.00 or above, based on weighted average of all High School years. (We do not round up for National Honor Society membership.)
2. Having no term or semester grade lower than 70.00 in any High School class.
3. Participating in service activities as described below.
4. Showing high standards of character and leadership in and out of school.
5. Having been enrolled at Fort Worth Christian School for at least one full semester.

A student becomes eligible at the beginning of the spring semester of the sophomore year. All Fort Worth Christian School students, sophomore and above, who have been in attendance for at least one semester and who meet academic standards will be considered each spring semester, even those who were ineligible in previous years.

A student will not be admitted to National Honor Society if, in the current school year, he/she:

- Has been referred to the office for a cheating offense that was upheld.
- Has been referred to the office for skipping school.
- Has more than five office referrals of any kind.
- Has an “N” or “U” in citizenship.
- Has any offense that results in suspension from school.
- Has any serious character/behavior issue in or out of school.
- Has any confirmed alcohol- or drug-related offense, in or out of school.

At the beginning of the spring semester teachers will be asked to complete evaluation forms for all students who qualify based on the standards above. According to the national bylaws, an advisory committee of five faculty members appointed by the High School Principal will review the students. The National Honor Society Adviser will also be a part of the committee, but will serve in a non-voting, advisory capacity only. At this time, **office referrals citizenship grades, and teacher evaluations will be taken into account**, and membership will be granted or denied by the committee. Students who qualify academically, but are denied membership for character reasons, will be eligible for membership consideration in subsequent years.

Probation And Dismissal

At the end of each grading period, office referrals, citizenship grades, and other documented disciplinary concerns of current members will be considered. Students who fail to meet or maintain National Honor Society standards will be placed on probation. Probation will last for the next grading period with terms appropriate for the offense as determined by the National Honor Society Adviser. If a student does not fulfill the terms of his or her probation, the faculty council will meet to consider dismissal.

Situations that will result in probation:

- Failure to maintain 90.00 average (Probationary period in this case is for one semester since averages are based on semesters.)
- Failure to fulfill service requirements.
- Cheating.
- Receiving an “N” or “U” in citizenship.
- Skipping school.
- Receiving five or more office referrals of any kind.
- Character issues in or out of school.

As outlined in the national bylaws, some offenses are very serious and allow for the Faculty Council to meet and consider immediate dismissal. These offenses would include those listed below and other similar offenses as determined by the National Honor Society Adviser, the High School Principal, and the Faculty Council.

Offences that will result in consideration of dismissal:

- Any offense that results in suspension from school.

- Any serious character/behavior issue in or out of school.
- Any confirmed alcohol- or drug-related offense, on or off campus.

Any time the Faculty Council meets to consider dismissal from National Honor Society, students and parents will be informed in writing. In the interest of time, notification might be made initially by email and followed in writing. The student will be given the opportunity to meet with the Faculty Council to present any circumstances that the council should consider before making its decision. Parents are welcome to attend this meeting to support their child, but national bylaws designate this not as a time for parents to make a case, but for the student to do so.

Removal from the National Honor Society, according to national bylaws, is permanent. A student will never be eligible for membership again. Members who are removed from National Honor Society membership cannot claim that membership for any college applications and will not be recognized as a National Honor Society member in any awards/graduation ceremonies.

Students or parents who wish to appeal probation or dismissal should first speak with the advisor. If satisfaction is not reached there, they should meet with the High School Principal. Further appeals would move through the school's established order of authority.

Service Hours

Being a part of National Honor Society is a privilege, not a right. Membership is not based merely on academic success. Service is one of the other major elements. Students should expect to have to work some for the privilege of National Honor Society membership. For this reason, the Fort Worth Christian School chapter of the National Honor Society requires that members participate in and document 12 service hours during a full year of membership and 6 service hours for a half year (new inductees in the spring). The service requirement can be met through work performed for a church, a non-profit organization, a school, or even an individual. Documentation of hours should be given to the National Honor Society Advisor.

Although local activities during Cardinal Service Week are not accepted, since all students are required to participate, students who choose to go on one of the mission trips during this week can count up to half of their required hours from this trip.

Full-year students may use up to 4 hours of service performed during the summer preceding the current school year. Documentation for those 4 hours will be accepted only until the last school day of August.

No more than half of your service hours may come from Fort Worth Christian School activities. You may, however, count more hours from an activity that is sponsored by Fort Worth Christian School but actually serves someone outside of the school. For example, you may count tutoring organized by a school

organization, serving the homeless in an activity by National Honor Society or Student Council (not as part of a class activity), or other similar activities.

Activities NOT ACCEPTED as National Honor Society service hours:

- Service performed in town during Servant Leadership Week since all students are required to participate in service during this week.
- Service performed for family, including extended family.
- Community service mandated by the court.
- Any activity for which you receive monetary compensation, academic credit, or any other type of compensation.
- Service already counted toward another service hour requirement.
- Activities you participated in as a required part of a team or school activity.

Documentation

A form for reporting service hours is available from the National Honor Society Advisor or through the student's National Honor Society iLearn account; however, you may simply bring a letter or memo documenting your service hours. You may also choose to use the form that the office uses. Documentation for service hours should include the following information:

- Your name.
- Date of the service performed.
- Description of the service performed.
- Number of service hours performed.
- Person or agency for whom you performed the service.
- A signature from an adult associated with the individual or agency for whom you performed the service.

If you plan to use a portion of the hours from a single activity for National Honor Society and a portion for your Bible service requirement, you must complete two separate forms, each reporting only the portion of the hours that will be for that particular requirement. If you turn in documentation to the office for National Honor Society, put the form in an envelope with Mrs. Bryant's name on it and ask that the envelope be placed in Mrs. Bryant's box. Do not expect someone else to report your hours; for example, if you work for a school activity, do not expect your supervising teacher/staff member to make a list and give it to Mrs. Bryant (even if Mrs. Bryant is the supervising teacher). You must bring a form to Mrs. Bryant.

Athletics

To be eligible for participation in athletics, the student must meet the following requirements:

- Good moral character including adherence to the code of conduct.
- Physical fitness (physical examination by a medical doctor before practice begins in the first sport in which the athlete participates each year).

- Academic Eligibility – See “Eligibility for High School Extra-curricular Participation.”
- Dress – Students participating in athletics shall be instructed by the coach of each respective sport regarding appropriate dress for practice and team travel. All students using the gym floor must wear acceptable basketball or tennis shoes.

If any athlete is forced to leave Fort Worth Christian School for any disciplinary reason or is dismissed from or quits the sport, he/she forfeits all rights to receive an athletic award

Cheerleaders

A clinic will be conducted for all cheerleading candidates in the spring and will be under the direction of graduating cheerleaders and their sponsor. Selection of cheerleaders will be a combination of faculty evaluation and judging by representatives from the National Cheerleaders Association. Students who are candidates for cheerleading shall meet the criteria listed for elected student leaders.

For more information regarding the cheerleading program, please refer to the constitution governing this program.

Elected Student Leaders

Students who are candidates for or appointed to student leadership positions shall meet the following criteria:

- Must be enrolled in Fort Worth Christian School for the semester in which they will serve and must not have been on any kind of disciplinary probation.
- Maintain an academic average of 80 in all subjects based on an average of all grades up to the time of election or appointment.
- Have no grade of less than 70 for the previous nine-week grading period.
- Have no more than one “N” or “U” in citizenship.

After election/appointment, a student will be placed on academic probation and not allowed to participate in his/her selected duties for the next grading period if:

- He/she fails to maintain an average of 80 for any grading period.
- He/she earns a grade of 69 or lower.
- He/she receives an “N” in citizenship.

A student will be removed from academic probation and allowed to return to his/her position at the end of the subsequent grading period if he/she achieves the required standard.

A student will be dismissed from the elected or appointed office if:

- He/she is placed on academic probation twice in one school year.
- He/she receives a “U” in citizenship.
- He/she does not abide by the Fort Worth Christian School Parent and Student Handbook.
- He/she is dismissed from Fort Worth Christian School.

Student Council

Each spring, the High School Student Council officers are elected for the following year (President, Vice-President, Secretary, and Treasurer). Two representatives from each class (three from the senior class) are elected. The constitution of the Student Council must be followed strictly in regard to qualifications and responsibilities.

Fort Worth Christian High School's Student Council Constitution and Bylaws are available from the High School Student Council Sponsor.

Student Trips

The following guidelines apply:

- Sponsors will accompany students with their expenses paid by students.
- No more than three school days may be missed without permission from the Principal.
- The ratio of sponsors to students will be at least one sponsor per ten students unless otherwise approved by the Principal.
- Any school-sponsored trip is an extension of the school.
- The Senior Trip is considered a school field trip. If a student opts not to participate in the Senior Trip organized for Fort Worth Christian School, then that student is expected to be at school attending his/her regular classes.
- Trip sponsors reserve the right to search personal effects based on suspicion while on the trip.

Cafeteria

Fort Worth Christian School is a closed campus. Students must eat on campus.

High School lunch is from 12:25 p.m. until 12:50 p.m. on Monday, Thursday, and Friday. On Tuesday and Wednesday lunch is from 12:50 p.m. until 1:15 p.m. Visitors and parents/guardians visiting their child during lunch must check in at the front door of the cafeteria and receive a visitors' tag to be admitted. After School Supervision

Providing supervision before and after school for High School students not engaged in school activities is a service which Fort Worth Christian School does not provide. Students should leave the building by 4:00 p.m. unless approval has been given.

Lockers

Individual lockers will be assigned. Lockers must not be defaced. Decoration of lockers by students or parents/guardians must have prior approval from the Principal. All bags and personal articles are to be left in the student's locker.

The school is not responsible for items left in lockers. Although students are responsible for the contents of their lockers, lockers remain the property of the school.

Lockers may be searched at any time.

Directory Information

Directory information shall include a student's name, address, telephone listing, date of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received, and most recent school attended.

Fort Worth Christian School does not sell student information.

Access must be granted within forty-five days of a parent's/guardian's written request, and this request must be submitted to the Principal. Available records include grades, evaluations, and standardized test results. Parents/Guardians may request that their student's records be released to persons and institutions outside of Fort Worth Christian School.

Law Enforcement

Law enforcement officers have the legal right to request to interview students on school premises, as suspects or witnesses. However, the legal right to carry out the investigative process is subject to legitimate concerns of students and their parents/guardians. When an interview is requested by law enforcement officers, the Principal or designee shall ascertain the officer's identity, official capacity and the authority under which he/she acts. The Principal or designee will make it known to the officer that the school campus is an education-focused environment and shall request that any such interview be conducted at another location. If the officers decline to conduct the interview at a location other than the school premises, the Principal or designee shall inform the officers that it is the school's policy to notify a parent/guardian and allow the parent/guardian to be aware of and involved in any police interaction. If the officers refuse to agree to accommodate a request that the student's parent/guardian be notified and involved in any interaction, the Principal or designee shall notify the officers that although the school wishes to cooperate in the investigative process, school policy will not permit questioning of any student without notifying the student's parent/guardian and allowing the parent/guardian to be aware of and involved in the interaction. Unless the officers have a warrant, which specifically permits the interview of a student without notifying the student's parent/guardian, the Principal or designee shall not permit law enforcement officers to interview students without notifying that student's parent/guardian and allowing the parent/guardian to be aware of and involved in the interaction with officers. Unless the law enforcement officers have a warrant which specifically forbids communications with a student's parent/guardian, if a law enforcement officer requests an interview with a student, the Principal or designee shall notify the student's parent/guardian immediately after a request for an interview is received from a law enforcement officer. The school will keep a record of any interviews of students by law enforcement officers on school premises. Such records shall include the name and identifying number of the officer, the agency employing the officer, the time when he/she arrived and left, the fact that the Principal or designee was or was not present during the interview, and any other pertinent information.

COMMITMENT AND AGREEMENT

Parent/Guardian Commitment and Agreement

I acknowledge that Fort Worth Christian School shall have complete discretion in all educational matters including, but not limited to, curriculum offerings, class and teacher assignments, and the assessment of student and teacher performance.

I acknowledge that Fort Worth Christian School shall have the right to decline enrollment or re-enrollment of any student or to suspend or dismiss any student at its discretion and for any cause deemed sufficient by the school. A positive and constructive working relationship between the school and a student's parent/guardian is essential to the fulfillment of the school's educational purpose. Thus, the school reserves the right to dismiss a student or not to extend the privilege of re-enrollment to a student if the school reasonably concludes that the actions of a parent/guardian make such a positive and constructive relationship impossible or otherwise seriously interfere with the school's accomplishment of its educational purpose. Parents should set a good example with their use of social media by refraining from personal attacks and the posting of inappropriate information.

I hereby agree to abide by the rules and regulations of Fort Worth Christian School, and I understand that serious or repeated breaches of the school's rules and regulations by my child or me may, at the sole discretion of the school, result in the suspension or dismissal of my child.

The school may from time to time require the written acknowledgement of school rules, values and regulations by the family and student. I acknowledge that failure to sign such an acknowledgement would be considered a breach of this contract and may result in dismissal of my child from the school.
