

## VISITING TEAM INFORMATION

Feb, 2016

To: Visiting Team's Athletic Trainer or Coach

From: Corry Karlen ATC, LAT  
Head Athletic Trainer  
Fort Worth Christian School

RE: SERVICES/EQUIPMENT OFFERED TO VISITING TEAMS

I would like take this moment and personally welcome you and your team to our campus. Below I have provided a brief outline of the services and equipment offered to you for your upcoming athletic event here at Fort Worth Christian School. All home athletic events will be held here on campus with the exception of tennis, golf, and cross country. Visiting team buses are encouraged to park at the south end of the football stadium (behind the concessions stand) next to FWC's buses for all sporting events. \*Softball: park across from the administration building.

A licensed athletic trainer is available during all athletic events that occur on FWC's campus. Every effort will be made to provide the visiting team(s) **water** and **injury ice** at all sporting events that occur on the FWC campus. The athletic training room is located in the north end of the Cardinal gymnasium (opposite of the gym's front entrance). If prior arrangements are made with the FWC head athletic trainer, visiting teams may use any modalities from the training room as needed. Visiting teams are encouraged to bring their own medical kits equipped with tape and other essential items deemed by their staff. Please contact the FWC head athletic trainer for any other requests or special equipment needs.

**FOOTBALL: (VARSITY games):** An onsite ambulance and a team physician will be available during varsity games only. The visiting varsity team locker room is located on the northeast corner of Cardinal gymnasium. Pregame drinks and taping table will be provided to visiting players and coaches near their locker room.

**(JV/middle school games):** No onsite ambulance or team physician available. No locker rooms will be made available unless previously arranged with our football coaches.

**ALL OTHER SPORTS (HS and MS):** No onsite ambulance or team physician available during games or tournaments. In the event of multiple home events going on at the same time, priority for athletic trainer coverage will be given to the sport with the higher risk of injury. Risk level will be at the discretion of the FWC head athletic trainer.

**TOURNAMENTS:** The FWC head athletic trainer is required by the FWC athletic director to be present only when an FWC team is currently playing. If prior arrangements have been made by the tournament director, a licensed athletic trainer will be available to all teams for the entirety of the tournament. Visiting teams are encouraged to call the FWC head athletic trainer prior to the event to inquire about trainer availability.
